12 December 2016 - this document has been updated, see
<http://www.bankofengland.co.uk/prs/Pages/publications/ss/2016/ss3415update3.aspx>

1 Overview

1.1 This statement is addressed to all firms regulated by the Prudential Regulation Authority (PRA) who are required to submit supervisory reports under the Regulatory Reporting, Close Links and Change in Control Parts of the PRA Rulebook.¹ Its purpose is to set out the PRA's expectations for how firms should complete the data items and returns required by those Parts. Chapter 2 and Appendices 1 – 4 of this SS are effective from 1 January 2016, except PRA101-103 which take effect from 1 October 2017. Appendices 5 – 7 are effective from 7 March 2016.

1.2 This SS sets out the basis on which firms should complete data items and returns required under PRA rules. This is intended to ensure a consistent reporting framework to enable the PRA to use the information collected efficiently and effectively. It allows the PRA to meet its objective of promoting the safety and soundness for firms, as it enables the PRA to monitor firms' compliance with the requirement to maintain adequate financial resources, and with other requirements and standards under the regulatory system.

1.3 Chapter 2 sets out an example of how to interpret the reporting requirements where a firm carries out activities in more than one RAG.

1.4 The guidance on completing data items is set out in the following series of appendices:

Appendix	Data items	Description
1	FSA001 to FSA053;PRA101 to PRA103	Guidelines for completing data items FSA001 to FSA053 and PRA101 to PRA103
2	MLAR	Notes for completing Mortgage Lenders and Administrators Return
3a	Removed 16 November 2016 (see Appendix 8)	
3b	Removed 16 November 2016 (see Appendix 8)	
4	Prudent Valuation	Guidelines for completing the prudent valuation return
5	Close links monthly report	Guidelines for completing the close links monthly report
6	Close links annual report	Guidelines for completing the close links annual report
7	Controllers report	Guidelines for completing the controllers report

1.5 In the SS and the accompanying appendices, the meanings are as given in the Regulatory Reporting Part where the term is specific to that Part, or in the PRA Rulebook Glossary.

2 Integrated regulatory reporting

2.1 This chapter is designed to assist firms to understand the reporting requirements set out in Chapter 2 of the Regulatory Reporting Part and in particular rules 2.1 - 2.3.

2.2 In the example of a UK bank that is not a FINREP firm in Regulatory Activity Group (RAG) 1 that also carries on activities in RAG 5, overlaying the RAG 1 reporting requirements (Regulatory Reporting 7.1) with the requirements for a RAG 5 firm (Regulatory Reporting 11.2) gives the following:

¹ On 16 November 2016, this SS was updated – see Appendix 8 for full details.

RAG 1 requirements (7.1)	RAG 5 requirements (11.2)
Annual report and accounts	Annual report and accounts
Annual report and accounts of the mixed-activity holding company	
Solvency statement	
Balance sheet	Balance Sheet
Income statement	Income statement

RAG 1 requirements (7.1)	RAG 5 requirements (11.2)
Market risk	
Market risk - supplementary	
Exposures between core UK group and non-core large exposures group	
Forecast data	
Solo consolidation data	
Interest rate gap report	
Sectoral information, including arrears and impairment	
IRB portfolio risk	
Daily Flows	
Enhanced Mismatch Report	
Liquidity Buffer Qualifying Securities	
Funding Concentration	
Pricing data	
Retail and corporate funding	
	Lending - Business flow and rates
	Residential Lending to individuals - New business profile
	Lending - Arrears analysis
	Mortgage administration - Business profile
	Mortgage Administration - Arrears analysis
	Analysis of loans to customers
	Provisions analysis
	Fees and levies
	Sale and Rent back

2.3 In this case, it is more obvious that the firm's reporting requirement in RAG 1 is not all the data items listed above. However, for the purposes of this exercise, it is the list of potential

data items that is important. Thus comparing RAG 1 with RAG 5, the additional reporting requirements are:

- (a) lending - Business flow and rates, where Section D MLAR is required;
- (b) residential Lending to individuals - New business profile, where Section E MLAR is required;
- (c) lending - Arrears analysis, where Section F MLAR is required;
- (d) mortgage administration - Business profile, where Section G MLAR is required;
- (e) mortgage administration - Arrears analysis, where Section H MLAR is required;
- (f) analysis of loans to customers, where Section A3 of MLAR is required;
- (g) provisions analysis, where Section B2 of MLAR is required; and
- (h) sale and rent back, where Section K of the MLAR is required.

2.4 Fees and levies are not applicable as Regulatory Reporting 2.3 states that they are not required to be submitted under the lowest numbered RAG in this example.

2.5 The reporting frequency and submission times for items (a) to (h) above are then derived from the rules applicable to RAG 5 firms in Regulatory Reporting 11.2.

Appendix 8 – SS34/15 updates

This appendix details changes made to SS34/15 following its initial publication in August 2015 following Policy Statement (PS) ‘The PRA Rulebook: Part 3’.¹

2016

16 November 2016

This SS was updated following publication of:

- (i) PS32/16 ‘Responses to Chapter 3 of CP17/16 - forecast capital data’² to include links in Appendix 1 to the guidelines for the new returns relating to forecast capital data (PRA101-PRA103); and
- (ii) PS31/16 ‘Credit union regulatory reporting’³ to delete appendix 3a ‘Notes for completing the Quarterly Return (CQ) for Credit Unions’ and 3b ‘Notes on completing the Annual Return (CY) for Credit Unions’, which are available on the ‘Credit unions – forms and guidance’ webpage.⁴ The notes updated following PS31/16, are effective from 3 January 2017, and are available in the appendices of PS31/16.

26 February 2016

This SS was updated following Policy Statement 8/16 ‘Internal governance of third country branches and response to CP3/16’⁵, to include guidelines for completing supervisory reports relating to the Close Links and Change in Control Parts of the PRA Rulebook. This update supplements the PRA’s expectations set out in the original statement, published on 3 August. This supervisory statement is addressed to all firms regulated by the PRA who are required to submit supervisory reports under the Regulatory Reporting, Close Links and Change in Control Parts of the PRA Rulebook. Its purpose is to set out the PRA’s expectations for how firms should complete the data items and returns required by those Parts
